12" Plastic Liners

Hardware Package

Part H • QTY 1

1.

Lay parts A, B & C on a flat surface as shown above.

2.

Attach A to B & C, using the provided 2 1/2" screws, through the predrilled holes on A, as shown above.

3.

Attach a second part A to the other side of B & C as described in Step 2. This completes one side of your Square Foot Garden Table. Complete the second side, using Steps 1-3.

4.

Stand up the two completed sides and place part D in between them, on the ledge of part B & holding it tight to both assembled sides as shown above..

5.

Attach part D to part A using the provided 1 5/8" screws, through the predrilled holes, as shown above. Repeat steps 4 & 5 for the other end.

4.

Your Elevated Garden Bed should now look like this.

7.

Lay parts E on the bottom ledge of parts D with the three notches facing up, as shown above.

8.

Next, place parts F on parts E, interlocking them to form a grid, as shown above.

9.

When complete your bottom grid should look like this.

10.

Place the parts G into your Square Foot Garden Table.

9.

You are now ready to fill your planters with soil and your choice of vegetables, herbs and flowers.

We highly suggest sealing your Square Foot Garden Table. This will lengthen the life of your Square Foot Garden Table, helping protect it from the sun, rain & other elements.
